

Van Manen Petroleum Group, a West Michigan based company specializing in commercial fleet fueling services, bulk fuel supply and lubricant solutions, is seeking a Driver to join their Transportation Team. This position involves safely transporting various grades of gasoline and diesel fuels to retail, commercial, and unmanned fuel sites throughout western Michigan. **No overnight trips. Evening hours. Home each day**

Requirements:

- Class A CDL with HazMat & Tanker endorsements
- Able to maintain active DOT physical card
- At least two years of driving experience with an exceptional safety record
- Experience transporting hazardous loads is preferred, but not required
- Strong math and measurement skills including the ability to accurately calculate and apply concepts such as proportions, percentages, area, circumference and volume
- Ability to work independently and have effective communication skills to interact with customers

Van Manen Petroleum Group is a family owned business that has been serving the greater West Michigan area since 1952. We offer a positive work environment and a comprehensive benefits package including but not limited to health, dental, life, & disability insurance, paid time off each year including your first year, 401K plan with company match and a sizable discretionary bonus plan. Our health benefits are through Priority HMO and the company currently pays half of your deductibles. We also offer discounted fuel to employees and operate late model, safe equipment. Driving for Van Manen means you are home each day and work consistent work schedules.
